Hi JoAnn

I had another meeting come up that I need to attend. I will not be able to participate in the call tomorrow. Fortunately I don't have anything to update the team on. We are still evaluating the site. I will know more about the site status at the end of November. The next call would probably be more appropriate for an update.

Hi Brandon!

Just a note to check in and make sure you received the agenda for tomorrow's meeting. Let me know if you have any questions, and thanks again for keeping the TPT informed on your efforts on the Flint Hills site!

JoAnn.
